William James Sidis about Myths, Facts, Lies and Humor - Part One. thelogics.org. Access date: March 4, 2016. A letter written by William Sidis said he would take the civil servant's exam, pass the civil servant's exam and was number 254 on the list. It's not that encouraging. It may never be known whether Sidis actually did an IQ test, and it may never be known whether the number 250-300 came from sidis being placed in the work pool. ^ Basics of Normal and Abnormal Psychology.
